33		[REDACTED - 9]						Rafols, JoseJ	03/09/2006 08:51	Stand-Up Call	R/ They go through samples like candy. I again explained that the samples are for new starts and to try to use the 7-Day coupons to offset giving away so many samples. He does see [REDACTED] as the best so I went straight to formulary advantages.	Seroquel	Burden of Bipolar Disorder

[REDACTED - 9.4] gave us some names of some Psych nurses who work in the hospital psych ward and may be able to help us with switches. Jerry and I planned lunches with them next week to discuss it further.	Seroquel	Burden of Bipolar Disorder

I of course took another route and said I just wanted to show him new studies showing differences among the PPI's. We go way back and he gave me time to present [REDACTED] and Sero. Please keep an eye on the Sero samples because the competition keeps moving the sample bin.	Seroquel	Burden of Bipolar Disorder
